MEDIA ATTENDANCE AT WSAVA WORLD CONGRESS

We welcome journalists to the WSAVA Congress and offer complimentary registration based on the provision of appropriate media credentials. Media registration allows access to all sessions and the exhibition. Media places are limited, so pre-registration is strongly recommended.

MEDIA ACTIVITY GUIDELINES

We ask that attending journalists wear their press pass at all times and that media activity does not interfere with lectures and that hidden recording is not undertaken. Photography and video recording is not permitted in some meetings.
