

Why Attend?

Dr. Jose M. Salazar Guevara – President of AMVEPPA and WSAVA 2022 Local Chair, Dr. Ellen van Nierop – WSAVA Vice President, Dr. Felisbina Queiroga – WSAVA Board Member, Dr. Ricardo Martinez Avila – Veterinary Cardiology Specialist and Dr. Felix Garcia – Professor of Veterinary Medicine & Surgery, all invite you to join us in Lima this October for an exciting, in-person Congress.

Explore a top-quality, multidisciplinary program, meet experts in the veterinary field and create long-lasting friendships, whilst enjoying all that Lima has to offer! The WSAVA family is gathering – be a part of the reunion!

We speak your language!

The International “WOW” Team of the WSAVA Oncology Working Group would like to invite all of you in our global veterinary community to come and meet us at WSAVA 2022 in Lima, Peru. And in a truly global WSAVA fashion, they will do it in Portuguese, Italian, Chinese and German.

WSAVA 2022 will be so much more than a Congress!

Experience cutting-edge, multidisciplinary science and hands-on training provided by leading experts in more than 50 streams. Join interactive case discussions, hear about the latest guidelines and meet with international colleagues after a two-year-long pause.

Enhance your knowledge, improve your skills, grow in your practice and work together with other professionals towards improving and unifying the standards of care for small

companion animals around the world!

WSAVA 2022 in Numbers!

This year's Congress will feature:

- 50+ unique veterinary streams
- Over 120 world-renowned speakers
- Many interactive sessions
- 2,000+ international colleagues
- From over 100 countries
- Large exhibition of industry supporters

Here are a handful of reasons why attending the Congress is worth it:

1. GLOBAL COMMUNITY

WSAVA 2022 will allow you to meet with veterinary professionals from across the world!

Discuss new research and innovative findings with

international, multidisciplinary experts and spark innovative ideas that will advance veterinary science and pet care.

2. MULTIDISCIPLINARY SCIENCE

The WSAVA 2022 scientific program will feature more than 50 different streams, providing all attendees with the chance to learn different aspects of veterinary medicine.

Join state-of-the-art lectures, case discussions, guidelines sessions all designed to bring the veterinary community together and through shared knowledge, advance the veterinary field.

3. EXPERT WORKSHOPS

The WSAVA workshops are designed to provide participants with practical training on the most contemporary techniques for pet care and treatment.

World-renowned experts will take you through different procedures and equip you with new skills to help you excel in your veterinary practice.

4. CAREER GROWTH OPPORTUNITIES

At WSAVA 2022 there are plenty of opportunities to propel your medical future and get noticed! The best one is by sending us an abstract.

Share your research for a chance to present it at the Congress, get international recognition and allow colleagues interested in your study to follow up and work with you beyond the event.

5. MEET US IN PERSON

Be part of the WSAVA global community!

Meet us in Lima, get to know colleagues from different cultures, share different perspectives, build strong, meaningful relationships that will last beyond the congress and have some fun!

6. DISCOVER LIMA

Enjoy the traditions, cultures and colours of Lima whilst being a part of the global WSAVA community. Explore the ancient Inca heritage, enjoy the “old town” architecture and indulge your senses in Peruvian gastronomic cuisine.

WSAVA 2022 relies on education & collaboration. All we need is YOU to make it a great success!
